

Package: servers.tools (via r-universe)

August 21, 2024

Title Extra Tools For Server Use
Version 0.0.0.9000
Description Use tools.
License MIT + file LICENSE
Imports fs, rstudioapi, shiny, shinyFiles, shinyTree, utils
Suggests knitr, rmarkdown, testthat
VignetteBuilder knitr
Encoding UTF-8
Roxygen list(markdown = TRUE)
RoxygenNote 7.1.2
Repository <https://statnmap.r-universe.dev>
RemoteUrl <https://github.com/statnmap/servers.tools>
RemoteRef HEAD
RemoteSha 96587a62ab24d1f166a6d3c315c3f7c67ce19884

Contents

file_explorer	1
listFiles	2

Index	4
--------------	----------

file_explorer	<i>file_explorer</i>
---------------	----------------------

Description

file_explorer

Usage

```
file_explorer(
  path = getwd(),
  viewer = getOption(x = "servers.tools.viewer", default = "dialog")
)
```
